EXPERIENCE:

Sr. Software Developer (Experience 2+ years)

Walstar Technologies | SOFTWARE DEVELOPER

Feb 2022 - Present | Kolaphur, India.

As a dynamic and skilled developer, I have proficiently managed user interfaces utilizing a comprehensive tech stack, including HTML, CSS, JavaScript, React.js, and React-Native. My collaborative work with the graphics team has honed my ability to translate design concepts into seamless UI/UX experiences.

Manjali Technologies | (6 months) Frontend Developer
Belgaum, India (Internship)

This system will help to the customer to search and shop jewellery online. The main intention of the online shop is to fastest delivery service. That jewellery will send to the recipient within 24 hrs. if the customer is from the same city. Using this website user can save his/her time by not going outside in different shops to search jewellery.
